

DOMES DINING UNDER THE STARS...

Our new Viking domes have been named after the stars in the sky and will have stunning views out across the estate and golf course. Named after the six-star system, Castor will hold up to 6 guests, Luna will hold up to 8 guests and the two larger domes, named Aurora and Sirius will hold up to 12. Diners will access the domes from a private door in the hotel, following a lit stone path onto the lawns.

Our domes have 360 degree views of our manor house, estate, highland cows and golf course. At night, when the stars come out, it can be truly magical. Each has wooden flooring, tailor-made furniture and are decked out with beautiful lantern lamps. A Bluetooth music system is installed in each where you can wire in your very own festive tunes.

Each Dome is heated however, remember, it is winter, so we advise to dress appropriately to keep yourself warm.

The domes are available to hire for breakfast, brunch, lunch, afternoon tea or dinner. Menus can be found on our website. We will be following Scottish Government Guidelines for maximum capacities at the time.
